

A modern, multi-story house with large glass windows and a balcony. In the foreground, there is a swimming pool with a wooden deck and some lounge furniture. The background features palm trees and a clear sky. The overall scene is bright and sunny, suggesting a tropical or coastal location.

Unleash the power of solar financing for your business.

“ Ygrene has helped us convert over 289 homes to solar power, save property owners thousands of dollars on their electricity bills, produce over 2 gigawatts of clean, renewable power and expand our workforce to 18 full-time employees.”

– Raul V.
Cutler Bay Solar Solutions,
Florida

Ygrene removes barriers to closing solar jobs.

Award-winning Ygrene property assessed clean energy (PACE) financing is making solar installations more affordable and accessible than ever before. With no money down, fixed payments, long terms, and 100% financing options, we're putting government solar tax credits and savings back where they belong—in customers' pockets.

- **Solar Purchase** Finance 100% of project cost and claim up to 30% Solar ITC
- **Partial Prepayment** Apply up to 30% of Solar ITC, if eligible, to reduce overall project cost and annual payment amount with no prepayment penalty

Getting outbid due to cost of materials?

WE HAVE A SOLUTION.

Take advantage of exclusive, discounted pricing, best-in-class materials and equipment as well as streamlined procurement, logistics and returns through our key manufacturer and distributor partnerships.

“ Selling solar just got a whole lot easier. Ygrene’s pricing was so good I could obtain higher quality materials at a much lower cost—a big savings that I passed on to customers which has increased my referral business.”

– Mike S.
Anthem Mechanical,
California

“ I can have multiple jobs going on at once and not have to worry about paying upfront for materials or maxing out my credit line. This means I can better manage my working capital and focus on growing my business in other areas.”

– Paul B.
Baize Electric and
Solar Technologies, California

A woman with blonde hair tied back, wearing a denim jacket over a white t-shirt and dark jeans, is standing in a modern office. She is writing on a large whiteboard with a marker. The whiteboard has some handwritten notes, including "HAPPY" and "SUMMER VACATION". The office has large windows in the background, and the entire scene is overlaid with a teal color filter.

Lacking credit or cash flow to take on more jobs?

WE CAN HELP WITH THAT.

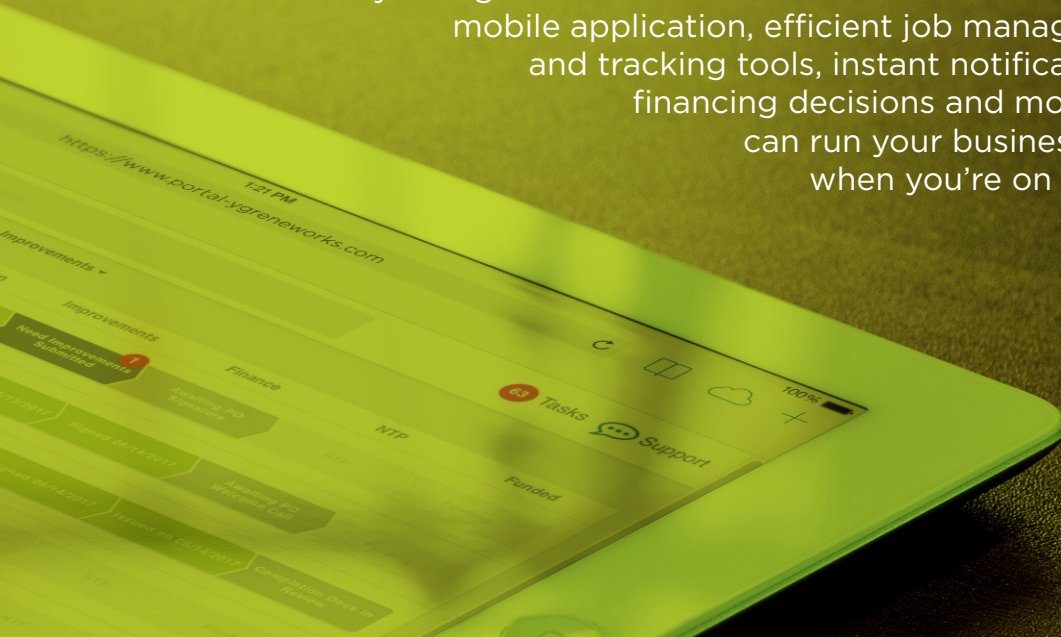

Let us show you how to increase your project volume and improve your cash flow without touching your business line of credit or incurring material prepayment expense.

Mountains of paperwork costing you time?

OUR TECH PUTS TIME BACK ON YOUR SIDE.

In the office or in the field, Ygrene's new online Portal keeps you organized and in-the-know. With a convenient mobile application, efficient job management and tracking tools, instant notification of financing decisions and more, you can run your business even when you're on the go.

**Roof conditions
forcing you to
pass on new jobs?**

LET US FIX THAT FOR YOU.

Many roofs only need repairs, not costly replacement. We've teamed up with RoofRx to provide professional and affordable roof inspections, diagnostics and repairs. With RoofRx, you're covered with same-day service, FHA/VA-compliant Roof Certification and a solar Roof Warranty.

**Struggling
to meet install
demands during
peak season?**

A person wearing a red long-sleeved shirt, dark pants, and a safety harness is standing on a roof. They are holding a rope that runs down the side of a brick building. The building has a white gutter and a white downspout. The entire image has a green tint overlay.

NO PROBLEM.

We have approved and fully licensed, low-cost solar installation teams in your area ready to increase your install capacity, regardless of project size or complexity.

It pays to be in the network.

Join the Ygrene network of independent contractors to start closing more jobs and building your solar business.
